SCHOOL

Field Day This Week - Wednesday, June 1

- Please help your Kenwood students be prepared for the day with a water bottle plus proper clothes and shoes for physical activity. We will have extra water bottles for those in need.
- Thank you to all who have signed up to volunteer or donate water bottles for this week's event. We could still use a few more volunteers if you are available and willing to help. Please sign up [here](#) so I can communicate with you directly and know you are coming.
- In the event of inclement weather, Field Day will have to be canceled. There will not be a makeup day this year. However, students will have the opportunity to compete in a few events during their PE classes. We will do our best to communicate as soon as possible if Field Day gets canceled.

Thanks for your support in helping to make this a successful day!
