SCHOOL

THANK YOU!

PTA would like to extend their gratitude for everyone that donated during Give to the Max last week. While they did not reach their goal, they are grateful for every contribution that was made. Money raised will go to support all students that attend Kenwood School. If you would still like to make a donation, you can do so at givemn.org. PTA also accepts donations at any time throughout the year. To give directly, please contact PTA Treasurer Amy Sanborn at amysanborn18@gmail.com.

Arrival Times

Please make sure children are not dropped off before 9:20am. The doors will not open until then and there is no supervision before that time.

Every Meal

[Every Meal](#) (formerly Sheridan Story) is a nonprofit organization with a mission to fight child hunger through community and school partnerships. Every Meal supports families with programming over the weekends, summers, and extended school breaks. This program is free for all and they do not collect information from families. Families may enroll at any time. To enroll, fill out and return the brochure that went home last week, or reach out to Lori Smith or Ally Adamski.

MPS Mental Health Newsletter

Minneapolis Public Schools is committed to providing our students with mental health services that are culturally responsive and relevant. We will work together with students, caregivers and staff to identify, challenge and change any and all values, structures and behaviors that perpetuate systemic racism. To learn more about how you can support positive mental health in your family, please read the November edition of the Mental Health Support team's newsletter.
