Dear Kenwood Families:

Please see the links below for information and resources regarding the possible upcoming strike. In the event of a strike, Kenwood will not offer emergency child care, but please call the main office at 612-668-2760 to inquire about child care locations across the District. Bagged meals for students will be available to pick up daily at Kenwood from 9am-1pm. Please call the main office to let us know if you'd like us to set aside meals for you. Mental health support will continue for existing recipients through our Watercourse partnership. Please reach out to them directly for more information.

Heidi Johnson (principal) and Danielle Sanders (secretary) will be in the office to answer questions. You can reach them via email or phone. Teachers and support staff will not have access to email during a strike.
